

MODEL MATES

Weathering spray dye

COLOUR / DENSITY / TRANSLUCENCY / USE CHART

IN ORDER OF DENSITY / TRANSLUCENCY

Soot Black	Colour: Very black / soot black. Darkest spray. Density: Dark, very dense. Translucency: Less translucent.
Mud Brown	Colour: Muddy brown. Density: Medium / higher density. Translucency: Medium / less translucent.
Oil Brown	Colour: Muddy / greeny brown Density: Medium / higher density. Translucency: Medium / less translucent.
Moss Green	Colour: Khaki green. Density: Medium / higher density. Translucency: Medium / less translucent.
Rusty Red	Colour: Rusty brown. Density: Medium / higher density. Translucency: Medium / less translucent.
Sand Brown	Colour: Light brown. Density: Medium density. Translucency: Medium translucency.
Slate Grey	Colour: Black - blue / slate grey. Density: Medium / light density. Translucency: Medium translucency.
Light Grey	Colour: Very light grey. Lightest colour spray. Density: Very light density. Translucency: Very translucent.
